# WELCOME TO SIMPLY HEALTHCARE PLANS!

---

First, you need to pick a doctor. The Dr. will send you to a specialist if you need one. There are a lot of doctors to pick from. You should also pick a doctor for each member of your family.

Next, make an appointment with your doctor. This will give him or her a chance to get to know your health. Remember, you do not want to wait until you are sick to pick a doctor.

All of your health care is provided at your doctor's office or through written referrals from your doctor. In an emergency call 9-1-1 or go to the nearest Hospital Emergency Room. Sometimes you may have a medical problem that is not really serious and your doctor's office is closed. For those times you can use an Urgent Care service. Check this book or call 305-408-5890 or 1-800-887-6888 outside Dade County for a list of offices.

At Simply Healthcare Plans, we want to get to know you, so that we may give you the best care.

*The doctors in this do not work for Simply Healthcare Plans.*

*Some doctors may not perform services based on religious or moral beliefs.*

*Your book must be looked at to find out exact terms, coverage, limitations and exclusions.*

**Note: The doctors and hospitals in this book are updated as of the day the book is printed. Sometimes new doctors are added to our plan or others may leave our plan. We advise that you call us or visit our website at [www.simplyhealthcareplans.com](http://www.simplyhealthcareplans.com) to make sure that the doctor is in the Plan.**

# REFERRALS
