Patient centered medical homes

A patient centered medical home (PCMH) is healthcare that's all about your child. It's between you and/or your child and your child's provider. Your child's provider leads a team of healthcare professionals in a medical office to help improve your child's total health and reach their health goals. Your child's PCMH team will have a provider you pick. With a PCMH, you and/or your child can:

- See their PCMH team every time your child needs care.
- Get answers to your healthcare questions.
- Set short- and long-term health goals.
- Make the best choices for your child's healthcare.
- Have more scheduling options.
- Get quality healthcare and meet your child's mental health needs.

The providers in this chapter have been recognized as PCMHs by national accrediting groups. These providers are PCMHs because of what they offer to our members. The groups that recognized these providers as PCMHs are:

- The National Committee for Quality Assurance.
- Utilization Review Accreditation Commission.
- Accreditation Association for Ambulatory Health Care.
- The Joint Commission.
- Other PCMH recognition programs like those offered through colleges.

To pick a recognized PCMH, look at this chapter. Recognized PCMHs have a team of healthcare professionals working together for your child's healthcare needs.

Hogares médicos centrados en el paciente

Un hogar médico centrado en el paciente (PCMH) es cuidado de la salud que se trata totalmente de su hijo. Es entre usted y/o su hijo y el proveedor de su hijo. El proveedor de su hijo lidera un equipo de profesionales de cuidado de la salud en un consultorio médico para ayudar a mejorar la salud total de su hijo y alcanzar sus metas de salud. El equipo de PCMH de su hijo tendrá un proveedor de su elección. Con un PCMH, usted y/o su hijo pueden:

- Ver a su equipo de PCMH cada vez que su hijo necesite cuidado.
- Obtener respuestas a sus preguntas sobre cuidado de la salud.
- Establecer metas de salud a corto y largo plazo.
- Tomar las mejores decisiones para el cuidado de la salud de su hijo.
- Tener más opciones de programación.
- Obtener cuidado de la salud de calidad y satisfacer las necesidades de salud mental de su hijo.

Los proveedores en este capítulo han sido reconocidos como PCMH por grupos nacionales de acreditación. Estos proveedores son PCMH debido a lo que les ofrecen a nuestros afiliados. Los grupos que dieron reconocimiento a estos proveedores como PCMH son:

- The National Committee for Quality Assurance.
- Utilization Review Accreditation Commission.
- Accreditation Association for Ambulatory Health Care.
- The Joint Commission.
