Welcome To Simply Healthcare Plans!

As a new member of Simply Healthcare Plans you must pick a primary care doctor who treats your medical needs. He will refer you to a specialist when needed. Many of the area’s top doctors are part of the Simply Healthcare Plans network. You should also pick a doctor for each member of your family.

Simply Healthcare Plans recommends that you make an appointment with your doctor. This will give him a chance to get to know your health. Remember, you do not want to wait until you are sick to pick a doctor.

All of your health care is provided at your doctor’s office or through written referrals from your doctor. In an emergency call 9-1-1 or go to the nearest Hospital Emergency Room. Sometimes you may have a medical problem that is not really serious and your doctor’s office is closed. For those times you can use an Urgent Care service. Check this book or call the Simply Healthcare Plans Member Services Hotline at (305) 408-5890 or 1-800-887-6888 outside Dade County for a list of offices.

At Simply Healthcare Plans, we want to get to know you, so that we may give you the best care.

The doctors in this book are independent doctors and do not work for Simply Healthcare Plans.

Some doctors may not perform services based on religious or moral beliefs.

Your Medicaid Member Handbook must be looked at to find out exact terms, coverage, limitations and exclusions.

Note: The doctors and hospitals in this book are updated as of the day the book is printed. Sometimes new doctors are added to our plan or others may leave our plan. We advise that you call us or visit our website at www.simplyhealthcareplans.com to make sure that the doctor is in the Plan.
Referrals

Your Primary Care Doctor is the doctor you will see first for medical care. If you doctor thinks a Specialist is needed, he/she will direct you to the correct specialist contracted with Simply Healthcare Plans. As the planner of your care, your Primary Care Doctor will work with the specialist to decide a treatment plan.

Self-Referrals

There are some specialty services that do not need a referral from your primary care doctor. These services are Chiropractic, Dermatology (up to 5 visits per year), Podiatry, routine well woman exams (one visit per year) and Family Planning. Continued GYN care does need a referral from your Doctor. If you need podiatry treatment, surgery, or tests, you must have prior authorization from your Primary Care Doctor or Simply Healthcare Plans.

• Chiropractic Care
  You may select any Chiropractor from the Chiropractor providers Section of this Directory, for up to 20 visits within a 12-month period, without a referral from your Primary Care Doctor.

• Dermatology Care
  You may select any Dermatologist from the Dermatologist Section of this Directory for up to 5 visits for dermatological care within a 12-month period without a referral from your Primary Care Doctor.

• Podiatry
  You may select any Podiatrist from the Podiatrist Section of this Directory for a podiatric evaluation without an initial referral from your Primary Care Doctor. However, if you require on-going podiatric treatment, surgery, or diagnostic tests, you must have prior authorization by either your Primary Care Doctor or Simply Healthcare Plans.

• Gynecology
  You may select a GYN physician within the Plan’s Network for the annual well-woman exam, without a referral from your Primary Care Doctor. Consult with your Primary Care Doctor for the GYN physicians in the Plan’s Network.

  Continued GYN care does require a referral from your Primary Care Doctor.
